ABOUT ME

Dedicated Data Analyst with a strong foundation in Python and experience in data exploration, visualization, and insights derivation. Adept at using advanced analytical tools and techniques, I am eager to contribute to projects that demand data-driven decision-making and strategy formulation. Proficient with data management tools and frameworks, I'm seeking opportunities that capitalize on my expertise in statistical analysis, Python programming, and collaborative problem-solving.

PROJECTS

EDA - IPL

Designed an interactive web application to analyze IPL match outcomes across seasons, leveraging data wrangling with pandas and visualizations using Seaborn and Matplotlib. Integrated dynamic filters via Streamlit for tailored user insights, showcasing team performances, match details, and player specifics. Employed strategic color palettes for clarity and effective user interpretation.

Technologies Used: Python, pandas, Seaborn, Matplotlib, Streamlit.

EXPERIENCE

AI Intern - Remote

Qodeit

Feb 2023 - May 2023

Bengaluru, Karnataka

- Rapidly mastered an unfamiliar AWS project and delivered successful results.
- Managed six concurrent projects, presenting results effectively.
- Augmented a deception detection project's dataset using web scraping and OpenAI API.
- Achieved 92% accuracy in a celiac disease project with 13 trained ML models.
- Created an endpoint with OpenAI and FastAPI to enhance the content of descriptions and experience sections on the company's resume website.

EDUCATION

Computer Science Engineering (AIML), Saraswati College of Engineering

9.56 (CGPA) (Till 6 Semester)

2020 - Expected 2024

SKILLS

Data Analysis and Processing:	MS Excel, Python, Pandas, Numpy.
Database Management:	SQLite, SQL, MySQL.
Data Visualization:	Tableau, Matplotlib, Seaborn.
Collaboration Tools:	Git, Github, Notion.
Soft Skills:	Analytical thinking, Public Speaking.

CERTIFICATIONS

- [Data Science and Machine Learning BootCamp](#) From GeeksForGeeks(GFG)
- [Python Certification](#) - IIT BOMBAY (Spoken Tutorial) with a score of 92.50%.
- [TATA Virtual Internship](#) Experience program on Forage.
- [Accenture Virtual Internship](#) Experience Program On Forage

ACADEMIC AND EXTRA CURRICULAR ACHIEVEMENTS

- Consistently ranked in the top 3 positions over 6 consecutive SEMESTERS, achieving FIRST RANK twice, with an impressive overall CGPA of 9.56.
- Selected as a finalist in a college-hosted project competition.
- Invited to address first-year students at a college event about computer science and effective self-study strategies.
- Education Tutoring: For the past 2 years, have been dedicatedly assisting HSC students from the Maharashtra State Board curriculum. Responsibilities included developing lesson plans, delivering lectures, fostering discussions, and aiding students in exam preparation.
