ABOUT ME

Highly motivated and dedicated CSE (AIML) engineering student at Mumbai University with a strong passion for machine learning, deep learning, and Python programming. Proficient in various tools such as TensorFlow, Pandas, NumPy, and Matplotlib.Experienced in web scraping techniques and data analysis.Demonstrated interest in teaching and sharing knowledge in the field. Committed to continuous learning and staying updated with the latest advancements in AI and ML. Seeking opportunities to contribute to cutting-edge projects and make a positive impact in the field of artificial intelligence.

PROJECTS

Paddy Doctor The Project was to identify the disease of paddy leaves. We have trained the model by using 10000+ images and we achieved the highest accuracy of 95.53%

LipNet LipNet is a deep learning model that aims to perform visual speech recognition by interpreting lip movements. It was developed by researchers at the University of Oxford. The model combines convolutional neural networks (CNNs) and recurrent neural networks (RNNs) to analyze and understand the visual information provided by lip movements during speech.

EXPERIENCE

AI Intern - Remote   Feb 2023 - May 2023
Qodeit   *Bengaluru, Karnataka*

- Gained practical experience in Artificial Intelligence (AI) with a focus on Computer Vision, Python programming, and Convolutional Neural Networks (CNN).
- Utilized tools such as GitHub and Amazon Web Services (AWS) to support projects related to Machine Learning and Deep Learning.
- Created a fast API using the OpenAI API to enhance the content of resume summaries, About Me, and experience sections.

EDUCATION

Computer Science Engineering (AIML), Saraswati College of Engineering   2020 - Expected 2024
9.59 (GPA)

SKILLS

Data Science and Visualization	Tableau,Analytical thinking,Effective communication and presentation,Pandas,Numpy,Matplotlib,Seaborn,OpenCV.
Machine Learning and Deep Learning	Python,Tensorflow,Machine Learning,Deep Learning.
Tools and Version Control	Notion,Git,Github.
Teaching and Mentoring	Teaching,Communication,Public Speaking,Mentoring.

EXTRA CURRICULAR ACTIVITIES

- Education Tutor: Dedicate time to teaching HSC students, providing academic support and guidance in subjects related to the Maharashtra State Board curriculum for the past 2 years. Develop lesson plans, deliver lectures, facilitate discussions, and assist students in their exam preparation.

ACHIEVEMENTS

- Avishkar Hackathon 2023: Qualified for the Final Round.
- Python Certification: Obtained from IIT Bombay (Spoken Tutorial) with a score of 92.50%.
